

claims 31, 37, 38, 64, 65 were objected to. Applicants filed a Response on August 4, 2003, amending claims 1-67. Specifically, claim 30 was cancelled and claim 28 was left in its original form. Applicants believe that the Advisory Action incorrectly describes Applicants' Response to Final, dated August 4, 2003. Applicants request review and reconsideration of that Response. Applicants do not believe any further response is necessary to place the Application in condition for allowance.

Conclusion

In view of the foregoing, and in summary, Applicants believe that all issues and points of the Examiner's Advisory Action have been addressed in a sincere effort to advance prosecution of this Application.
